What better time to visit the Nashville City Cemetery than Halloween weekend?

The Nashville City Cemetery is a beautiful historic site, it is the resting place of many historical figures and Nashvillians. Burials occurred there from 1846-1979.

-Cost of the race:\$50 per person

-Money raised will be given to aid the research of treatments for infectious diseases

Tuberculosis was one of the leading causes of death in the U.S. during the late 1800's, but that number fell rapidly after researchers found treatment.

Therefore, it isn't surprising that tuberculosis (also known as consumption) was the leading cause of death amongst those buried in our cemetery.
